

CLEAN TECH

INTERESTED IN CLEAN TECHNOLOGIES?

Atla Fiduciaries Limited director, Basil Bielich has been instrumental in establishing the Manx Cleantech Hub (“MCH”) which is the Isle of Man Hub of the Commonwealth Environmental Investment Platform (“CEIP”). This is an international network to encourage the exchange of ideas and services between Cleantech industry specialists around the world.

This sector is a particular passion of ours and we will continue to invest our time to help you make the contacts required to develop your business, as well as providing you with the regulatory and administration support you need to help your idea become a success.

Specific services include:

Manx Cleantech Hub

Through the MCH, we can provide you with networking opportunities to enable your company to grow in the green sector. Working alongside the CEIP, the MCH’s aim is to provide a centre for entrepreneurs and investors, to share ideas and join forces to produce renewable and sustainable technology. This will give you access to a comprehensive database, information on upcoming events, new publications and investment opportunities.

Intellectual Property Management

We can help you manage and maintain your Intellectual Property (“IP”). The effective management of IP allows your company to understand the value and the risks associated to your IP. Types of IP include: copyrights, trademarks, patents and trade secrets.

Accounting

We help with the day to day funding and expenditure control, the monthly financial analysis and management reports, and prepare financial statements to meet the requirements of your chosen jurisdiction.

Banking and administration

We have built close relationships for some 35 years with reputable banks to ensure our clients receive the best, possible service. We can also help with the maintenance of bank accounts and credit cards, and also bank reconciliation and payments.

Company administration

We are able to provide statutory compliance services required by the jurisdiction of your choice.

Company formation

We are able to help you incorporate a company to meet your requirements or if there is an existing company, we can facilitate the transfer of management. This includes a provision of directors, secretary and officers for the company.
